

ROADWAY RESTORATION AGREEMENT FOR TELECOM/UTILITY -TRENCHES.
DEVELOPMENT AND MAINTENANCE

The undersigned _____, the authorized representative of _____ has agreed agrees to repair and restore to good condition, to the satisfaction of the Town of New Chicago Street Supervisor and/or a Town Council of New Chicago designee all pavements, surfaces, sidewalks, drains, bridges, structures and improvements which are in any manner disturbed by the construction, maintenance or operation of said pipeline, electric line, communication line or other facility, with said agreement to repair and restore being a condition precedent to receipt of consent by the Town of New Chicago. All repairs and restoration must be completed within thirty days of the completion of the project. If the undersigned fails to restore and repair the surfaces to the Town of New Chicago's satisfaction, the Town may, at its option, repair the damage itself and charge the undersigned for the costs and labor necessary to do so, or hire another contractor of its choosing to restore and repair the surfaces and the undersigned shall be liable for the cost of said repairs and restoration.

The undersigned also further agrees that as a condition precedent to receipt of the aforementioned consent, that it will indemnify and hold harmless the Town of New Chicago for any and all liability incurred as a result of the construction, maintenance or any and all operation of said pipeline, electric line, communication line or other facility, including attorney fees and cost of litigation incurred by the Town of New Chicago. The undersigned further agree to pay the cost of any work required to be performed by the Town of New Chicago to repair damages incurred as a result of the construction, maintenance or any operation of any pipeline, electric line, communication line or other facility.
